February 2010

Dear Merchant:

The Huntington Choral Society, a not-for-profit 501 (c)(3) organization with a mission to bring high-quality classical choral music to the greater Long Island area, is holding its annual Spring fundraiser on Saturday, March 20, 2010. This event, entitled "Hollywood After Dark", will feature music and entertainment inspired by the "Golden Age" of Hollywood in the 1930's and 1940's.

Several different fundraising activities are planned for the evening, one of which is a gift basket raffle. Proceeds will be used to supplement ticket sales and other program income to enable the Society to perform major choral works with professional orchestra and soloists.

We would be delighted to incorporate any item(s) that you may wish to donate from your business into one or more of these magnificent raffle baskets. Not only will your contribution add to the success of our event, but it is also an excellent way to increase your business's visibility in the community. A list of donors will be distributed to guests at the fundraiser, as well as posted on the Huntington Choral Society's website.

Your contribution would be greatly appreciated. A donation receipt for your records will be happily provided.

Sincerely,

Bernadette Reyes
President
